Ask anything—from planning your day to finding the best deal—and watch your data earn for you.

The image displays two smartphones side-by-side, illustrating the app's features. The left smartphone shows a feed of personalized advice cards for a user named 'Vyas'. Each card includes a title, a snippet of advice, a 'Read more' link, a date ('07/14/2025'), and a visibility icon. The right smartphone shows a conversation with a bot asking for help with spending, a message from the bot saying 'Hi Cris, happy to help you. Check this out.', a spending prediction section with a 85% chance of meeting goals, and a bar chart showing spending trends over time.

Family, Personal Care & Health

From shared calendars to self-care reminders, keep everyone thriving.

Finance Management, Home & Car Maintenance

Money & Maintenance. Sorted.

The image shows three smartphones side-by-side, each displaying a different feature of the app:

- My Cars:** Shows a car (VIN: JN1BY1AR1DM604999, Mfr: NISSAN, Year: 2013) with an odometer of 141987 Miles and an average monthly mileage of 1200 Miles. It includes a share icon and a large orange plus sign at the top.
- My Properties:** Shows a property listing for "Primary Home" at Hotel Rosarito Beach, Playas Rosas, Playas de Rosarito, B.C., Mexico. It includes sections for Appliances (0) and a map.
- My Financials:** Shows financial metrics: Assets (\$0.6M), Income (\$50K), and Savings (\$0). It includes questions about yearly income from primary and secondary sources, with answers of \$25000 and \$0 respectively. It also has an "Add New Income" button.

Dream. Plan. Do.

Recommendations, Vacation & Wishlist

The image displays six mobile application screens arranged in a collage, illustrating various features of a travel and financial management app:

- Vacation Recommendations:** Shows a list of recommended hotels, resorts, eco-lodges, and inns in Anguilla, Caribbean, Bahamas & Bermuda, with a budget of \$250.
- Travel Details:** Provides information about the Anacaona Hotel in Anguilla, highlighting its location on the southwest coast and its proximity to The Valley.
- Vacation Planning Advice:** Offers advice for trips to Europe, Trip and Tour, and New Trip, including specific dates (e.g., 08/04/2025, 09/17/2025) and links to read more.
- AI Assistant:** A grid-based interface for managing personal care, family care, auto maintenance, home maintenance, and vacations.
- Impact Analysis:** A chart showing financial impact analysis between a car (\$100.0K) and a vacation (\$8,21,100), concluding that the vacation may not be affordable.
- Wishlist:** A list of items including a House (\$150,000), iPhone (\$50,000), and Car (\$5,000,000), with investment timelines (e.g., 2025-03-24, 2025-04-28, 2025-11-06).

Your Data. Your AI Advisor.

mE thinks ahead so
you don't have to.

The application interface is designed to provide personalized advice across various life domains. The sections and their corresponding icons are:

- Personal:** Represented by a person icon. A card titled "Personal Care: Aerobics" provides advice for aerobics routines, dated 09/17/2025. Action icons: like, share, profile, and upload.
- Family:** Represented by a family icon. A card titled "Child Care: Basketry" provides advice for childcare, dated 09/17/2025. Action icons: like, share, profile, and upload.
- Financial Profile:** Represented by a bank icon. A card titled "Accounting: Cash Flow" provides financial management advice, dated 07/10/2025. Action icons: like, share, profile, and upload.
- Home Profile:** Represented by a house icon. A card titled "Home Maintenance: Build A Storm Shelter" provides advice for home safety, dated 09/17/2025. Action icons: like, share, profile, and upload.
- Car Profile:** Represented by a car icon. A card titled "Europe" provides information about a vacation plan to Europe, dated 08/04/2025. Action icons: like, share, profile, and upload.

At the bottom of the screen, there are two navigation icons: a microphone and a gear.
